

EST. 1935

# W&P Reedy PTY LTD.

## THE NEXT LEVEL

Service, supply and manufacture of pastry cooks and bakers equipment

### PORTION CUTTING MACHINE

Accurately cutting of baked products, including slices and cakes in trays, and similar products on trays. Sliced edges are going to be extremely straight, when the pneumatic hand knife is used. Easily used by any team member to give a quality finished product your customers deserve.
